

The Clean Dozen

Student Shopping List

Cleaning Products

I have put together a list of the basic essentials that students will need to keep their room or flat clean.

Shopping List

1. Washing powder – suitable for machine and hand washing
2. Washing up liquid or dishwasher tablets
3. kitchen towel
4. Cloths for washing dishes/wiping surfaces
5. Kitchen Cleaner
6. Bathroom Bleach
7. Large bin bags
8. dustpan and brush
9. Duster
10. Radiator dryers
11. Storage Jars/containers
12. Waste paper bin

I recommend that students in rented houses have a kitty to pay for a regular – say fortnightly – clean. This will provide them with clean living accommodation and improve the chance of them receiving their full deposit back at the end of tenancy.

Before buying anything check out what will be supplied – a hall of residence will be totally different from a student house in terms of equipment and supplies.
